Reasons For Allowance

Claims 1, 13, 22, 26, 47, 52, and 57 are allowed. Foregoing claims are allowable since the prior art of record does not teach the claimed light-emitting apparatus comprising a an insulating surface substrate, a light-emitting device formed over the substrate having a first electrode, an organic compound layer, a second electrode, a first bank covering an edge portion of the first electrode, and a second bank serving as a side wall of the first bank, wherein the first bank and the second bank are on and in contact with a same surface and wherein the first bank is in contact with the organic compound layer or the second electrode, or metal layer in contact with the organic layer in combination with other features of the claim. Dependent claims are allowable since they depend on allowed independent claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
